

2019 Board of Directors Statement of Interest

 **John Deven**

Dear Tandia Members:

My family and I have used the services of the Credit Union for over 40 years. I remember being introduced to the whole 'credit union concept' all those years ago. The idea that we are all members and owners, not just customers and that profits are turned back to the members and their communities made sense to me. Over the years, more and more benefits have been added to keep current and to surpass other financial institutions. After years of growth, now twelve branches and in excess of a billion dollars in assets, those same ideals and benefits remain intact, and what is surprising to me is that expansion has never minimized the service offered by the friendly, co-operative and knowledgeable staff. I have had the privilege of serving as a Director for a total of 9 years; this past three years in Tandia and previously serving as a Director and Vice Chair with the former Teachers' Credit Union. I ask for your vote of support, so that I may, with my fellow board members, management and staff, continue to enhance value to our membership by staying ahead of the competition in our lending and savings' vehicles, and by helping Tandia continue to meet its members' needs. In these challenging times, I will dedicate my time and efforts on your behalf and look forward to working with Tandia's amazing staff. For more information about me, I ask you to view my attached resume and profile.

Thank you.
John Deven
