**FOR IMMEDIATE RELEASE**

**Tandia Gives a Special Holiday Gift to The Darling Home for Kids**

Milton, ON – Just in time for the holidays, Tandia Financial Credit Union was delighted to present a \$10,000 gift to The Darling Home for Kids, a local facility that serves the Halton community, caring for medically fragile and technology dependent children.

On Friday December 9, Tandia representatives including Richard Davies, President and CEO and Michael Knight, Regional Manager, were on hand to present the cheque to Kirstin Horrell, Executive Director and Melody Jackson, Development Manager at The Darling Home for Kids. Melody shared The Darling Home's appreciation with these gracious words, "Amazing things happen when a strong, trusting, and nurturing corporate partner like Tandia is woven into the fabric of The Darling Home for Kids' community. Tandia and its members and staff have been a constant support, participating with us in multiple ways including donations to the Home in support of our programs, employee volunteering at our Family Holiday Party, sponsorship of our Wheels event and so much more. There is no power for change greater than a community discovering what it cares about and Tandia cares about our growing population of medically complex children. We can't thank them enough! They are here to help, and it is making a difference."

After the presentation, Richard Davies commented, "It was a tremendous privilege to be a bearer of a gift made on behalf of the members and staff of Tandia. Knowing that it will help The Darling Home for Kids continue to provide a place of joy and enriching experiences for the children and families of Halton in need of their support is heartwarming, especially at this time of year."

**About The Darling Home for Kids:**

The Darling Home for Kids is a state of the art facility providing respite, hospice palliative and residential care for children who are medically fragile and technology dependent through therapeutic programs and services devoted to improving their health and well-being.
