HAMILTON ON – Tandia announces new head office location at the 5th AGM

Tandia's 5th Annual General Meeting took place last week on Tuesday April 2, offering members the opportunity to gather face-to-face with the Board of Directors and Senior Executives to review Tandia's activities and outcomes of 2018.

The meeting took place at the Burlington Convention Centre where members along with guests and representatives from many corporate partners received presentations from the Board Chair, Wayne Joudrie, President & CEO, Richard Davies and Senior Vice President of Finance and Administration, Sandy Alward.

A highlight of Mr. Davies' presentation was the news of the recent sale of our corporate offices at 75 James Street South in Hamilton and at 44 Main Street East in Milton and the announcement of our new Corporate Office re-location to at brand new building at 3455 North Service Road in Burlington. The move will occur later in 2019. Mr. Davies commented, "In 2018, Tandia achieved our highest profits ever from both operational efficiencies and the corporate property sale. 2019 will be an exciting year of change for our business infrastructure."

It was a pleasure to present a record-breaking year for Tandia in terms of profits and financial performance to the membership. During her financial performance highlights presentation Mrs. Alward expressed, "Our fifth year of operations was our most successful to date. Tandia's senior management is committed to keeping up with the momentum of improved financial metrics."

This year, there were three vacancies for the Board of Directors. As there were no new nominations for Directors, the three incumbents were acclaimed. Tandia welcomed back to the Board for a new three year term, Directors: John Deven, Wayne Joudrie and Mike Veerman.

Members are encouraged to view or download our 2018 Annual Report from our website or pick up a copy at any branch location. The next Annual General Meeting will take place on Tuesday April 7, 2020.
