

2023 Board of Directors Statement of Interest

SCOTT GALLEA

Since joining the Credit Union in 2008, it has been very rewarding working with them as I bought, sold and developed many properties in the Hamilton Wentworth area.

In an attempt to give back, I would consider it a privilege to serve on the Board of Directors of Tandia Financial Credit Union. Prior to this, I was on the Board of Deacons at Stoneridge Bible Chapel for 31 years. During this time, I developed skills and knowledge that would be beneficial as a member of the Tandia Board of Directors. Over the 31 years I was involved in strategic planning and decision making. Always complying with regulatory standards and demonstrating strong ethical leadership.

With my experience, I believe I can be an asset in guiding Tandia with Integrity and Innovation. I have great respect for Tandia's values and vision. I have attended many of the Annual General Meetings and have always taken an interest in Tandia's financial position. I love to work in the community, to interact with people, and give back to the beautiful community I call home. I believe Tandia feels the same way. My goal with Tandia is to contribute to fulfilling their mission - I believe that I will provide strong Leadership traits, skills and a high level of professionalism.

Tandia has been excellent to my family and I over the past number of years as a member. So together let's continue to promote Tandia as the terrific Credit union that it is!

Sincerely,
Scott Gallea
