

Toronto Branch Consolidation – Fall 2022

Please note the following branch consolidation happening this Fall.

MemberOne and TCSBE Branches

With the Canadian Governments recent proposal to relocate the WSIB Head office from Toronto to London, ON and having received notice from MemberOne's landlord that they would be taking back their space before the end of year, a decision was made to consolidate our TCSBE and MemberOne locations into a virtually supported branch housed in Tandia's Corporate Head Office. Members from both locations will be able to continue to conduct their business through online/mobile banking with telephone support and virtual appointments.

Branch consolidation dates are as follows:

MemberOne branch - **October 28, 2022**

TCSBE branch - **November 30, 2022.**

As a reminder, members can continue to complete day-to-day banking needs through online banking, mobile banking and with our Member Solutions Centre team (1-800-598-2891). In addition, all new accounts and applications can be processed using our online account and loan application programs.
